Effective July 1, 2008, the Gallatin Solid Waste Management District will implement a Late Fee Disposal Charge for commercial and private haulers that are on-site after the landfill's 4:30 p.m. posted closure time.

The District operates the Logan Landfill Monday through Saturday from 8:00 a.m. to 4:30 p.m. The last load is accepted across the inbound scale by 4:00 p.m. in order for customers to be out the gate by 4:30 p.m.

All commercial and private carriers crossing the outbound scale after 4:30 p.m. will be charged a late fee, in addition to their regular disposal fee. The fee will be added by the scalehouse attendant. The late fee will be verified by the computer generated ticket with time stamp located on the outbound scale ticket provided to the customer at check-out.

The fee will be assessed as follows:

Commercial \$10 per Ton, \$5.00 minimum.

Private \$5 per Ton, \$5.00 minimum.

Commercial is defined as any operation operating for profit that disposes of waste materials at the landfill resulting from engaging in commerce.

Private is defined as any load of materials received for disposal that is brought in by individuals resulting from domestic use not engaged in commerce or for profit.

Approved by Gallatin Solid Waste Management District Board of Directors, June 18, 2008, effective July 1, 2008.
